

SALESmanago Referral Program

SALESmanago Referral Program

The SALESmanago reference program is a group of loyal participants who are willing to recommend our company and share positive experiences of using our system when talking to potential Clients.

Our potential Clients can consult with a selected participant, which will allow them to better understand the benefits of using the system and learn more about the advantages of cooperation.

Thanks to the Program, we can reach a larger number of interested parties and build trust in our brand based on the positive opinions of current users.

Referral Benefits

A Referral Program participant can receive one of the available benefit for each reference provided through a meeting with a potential client, email, phone or social media contact.

Remember, being an active referrer is also a unique opportunity to develop business relationships, build reputation and strengthen your brand.
